CALL FOR PAPERS

The Twentieth International Conference on Industrial, Engineering & Other Applications of Applied Intelligent Systems (IEA/AIE-2007) – Kyoto, Japan – June 26-29, 2007

Sponsored by: International Society of Applied Intelligence and Kyoto university. Organized in Cooperation with: AAAI, ACM/SIGART, CSCSI/SCEIO, ENNS, HIS, IEICE, INNS, IPSJ, JSAI, RSJ, TAAI, and Texas State University

IEA/AIE-2007 continues the tradition of emphasizing industrial, engineering and other applications of Applied Intelligent Systems Technology in solving real-world problems. Conference participants focus on practical solutions of problems occurring in all domains. Numerous related topics are considered and are listed on the conference web site *URL* http://winnie.kuis.kyoto-u.ac.jp/IEAAIE-2007/

Authors are invited to electronically submit their paper, written in English, of up to 10 single spaced pages, presenting the results of original research or innovative practical applications relevant to the conference. Practical experiences with state-of-the-art and emerging AI methodologies are also acceptable when they reflect lessons of unique value to the conference attendees. Shorter works, up to 6 pages, to be presented in 10 minutes, may be submitted as short papers representing work in progress or suggesting possible research directions. (Please, indicate "short paper" in the comments text-area in this case.) All paper submissions will be done electronically, as indicated in the instructions on the conference web site http://winnie.kuis.kyoto-u.ac.jp/IEAAIE-2007/.

Paper submission is required by November 8, 2006.
Additional details may be obtained from the web site or
